

## Aylesbury Estate Phase 2

**Year:** 2022

**Main Contractor:** Hill Partnerships

**Architect:** HTA Architects

Stanta scope includes over 16,000m<sup>2</sup> of SFS infill including all boards, insulations, brick channel and other scope items to the next phase of this South London regeneration project for Hill Partnerships. Stanta will also be installing over 1600 Nordan Windows and Doors as part of our critical path substrate works.
